Rheumatism

A Home Cure Given By One Who Had It

In the spring of 1893 I was attacked by Muscular and Infiammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case.

I want every sufferer from any form

effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair. Why suffer any longer when positive relief is thus offered you free. Don't delay. Write today.

Automobil and Tractor School for Nashville.

Nashville, Tenn., (Special)-Enterprising citizens of this city have arranged for the opening of an automobile and tractor school that will serve the entire country. There is to be in concetion with this school an instruction department for colored. It will operate under a state charter and will have as its purpose the offering to the colored men a thorough-practical training in the repair, care an doperation of automobiles and tractors. In adition to the school proper, testing grounds are being arranged for use that a practical training in the operation of the tractor and automobile may be had by the student body. There will also bea tractor shop training department. The promoters declare that the tuition of the school will be moderate and in the students' Clark of this city. self help department the student may obtain aposition during the day so thathe can take up the evening classists of instruction. Thus he can earn wages while learning his profession. The school is about ready for enrolling ment of students for a short eight weeks' course and a diploma is issued upon the completion of the same. A deal of printed matter giving full information of the school is ready to be sent out.

Willa Pearl Brooks, Jennie Wissenta House with the colored department of the State Industrial School at Louisville, Ky. The school was established in 1861, but he is the first colored man to manage it. He is highly pleased so far. Mrs. Buford will be Matron. She will join her husband during the holidays. The community and church hate to lose her. She is a teacher of the public school here. She holds several offices in the white satin. We have been silent for some time, busy, busy attending to the farm of all and about the time we thought we would have something left in our pockets, why the prices fell. So you ee where we are along that line, however we are trying to wipe our weeping eyes and take fresh courage. Rev. Edwards held the first Quarterly Conference at this place Sunday, had a good sermon and fair collection for the weather. Some say, Edwards has never given us his best. Rev. Tally is our pastor again, well, a change has come over him, wonder why? Mrs. Mary Bills who keeps rather indisposed, worshiped with us Sunday, Mrs. Amanda Martin has recovered sufficiently for her daughter, Mrs. Gantt of Arkansas, to return home.
